

FreeNAS - Bug #25303

Add ability to edit a Certificate

07/26/2017 02:29 AM - John Smith

Status: Resolved	
Priority: Nice to have	
Assignee: Nikola Gigic	
Category: Middleware	
Target version: 11.1-BETA1	
Seen in: 9.10.2-U5	Needs Merging: Yes
Severity: New	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: Yes	
Description	
Once a certificated is added successfully, it's impossible to edit the certificate (itself, as in its content). It should be changeable, considering certificates are set to expire every so often and need to be replaced, or even in case of mistake.

Indicate can now edit certificates.

Ticket: #25303

History

#1 - 07/26/2017 04:42 AM - Dru Lavigne

- Assignee changed from Release Council to Suraj Ravichandran

Typically one would revoke a certificate rather than edit it.

Off to Suraj for investigation of this feature.

#2 - 07/26/2017 05:58 AM - John Smith

Dru Lavigne wrote:

Typically one would revoke a certificate rather than edit it.

When the certificate expires and a new one is issued with the same CSR, there's no need to replace the private key, and only the certificate is replaced.

Also, mistakes cannot be corrected without removing and inserting a new certificate, which also involves updating other settings (the which-certificate-to-use in httpd menu).

#3 - 07/26/2017 01:37 PM - Suraj Ravichandran

- Category changed from 2 to Middleware

- Status changed from Unscreened to Screened

- Priority changed from No priority to Nice to have

- Target version set to 11.2-BETA1

#4 - 08/23/2017 07:12 AM - Dru Lavigne

- Assignee changed from Suraj Ravichandran to William Grzybowski

William: please load balance between Vladimir and Nikola.

#5 - 08/23/2017 08:16 AM - William Grzybowski

- Status changed from Screened to Unscreened

- Assignee changed from William Grzybowski to Nikola Gigic

Another one, there is no immediate priority for this.

#6 - 09/19/2017 03:47 AM - Nikola Gigic

- Status changed from Unscreened to Screened

#7 - 09/19/2017 04:16 AM - Nikola Gigic

- Status changed from Screened to Needs Developer Review

#8 - 09/19/2017 06:00 AM - William Grzybowski

- Status changed from Needs Developer Review to Ready For Release

#9 - 09/19/2017 06:00 AM - William Grzybowski

- Target version changed from 11.2-BETA1 to 11.1
