### Description

Hi, as in the object, the configuration option buttons are not formatted correctly.  
Web browsers used: Firefox 54.0.1 (x86) and Chrome 60.0.3112.90 (x86)

The screenshot displays the FreeNAS web interface. On the left is a dark blue sidebar with a navigation menu. The main area is titled 'GENERAL' and contains several configuration fields, each with a dropdown arrow. The 'GUI HTTP -> HTTPS Redirect' option is checked. In the bottom right corner, there is a button labeled 'access\_smbfile\_upload'.
