

FreeNAS - Bug #26459

Wrong console messages subscription

11/01/2017 08:16 AM - William Grzybowski

Status: Resolved	
Priority: Critical	
Assignee: Daisuke Imai	
Category: GUI (new)	
Target version: Master - FreeNAS Nightlies	
Seen in: 11.1-RC1	Needs Merging: Yes
Severity: New	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: Yes	ChangeLog Required: No
Needs Doc: Yes	
Description	
WebUI is subscribing to the same event every few seconds, this is wrong because it will DoS the middleware.	
What should happen is:	
- subscribe to the event only once	
- react all events sent to the websocket for that same subscription	

History

- Description updated

#2 - 11/01/2017 09:37 AM - Mick van Eerd

I think I got this too, since last update to RC1 (FreeNAS-11.1-RC1).

Got a warning message listed every 2 minutes: "[WARN] agent: Check 'service:nas-health' is now warning".

I can provide logs, let me know.
