Icon for "Resilver priority" seems to be missing as well

##### #2 - 01/26/2018 06:31 AM - Dru Lavigne

- Category changed from 2 to GUI (new)

- Status changed from Unscreened to Not Started

- Assignee changed from Release Council to Timothy Moore II

- Reason for Blocked set to Need verification

Patrik: we won't be making cosmetic changes to the old UI.

Tim: can you verify whether or not this is an issue with the new UI? If it isn't, please close the ticket. If it is, please pass to Erin.

##### #3 - 01/26/2018 06:40 AM - Timothy Moore II

- File newui\_system\_cloudcredentials.png added

- Status changed from Not Started to Closed

- % Done changed from 0 to 100

- Reason for Closing set to Behaves as Intended

The new UI doesn't use icons for subcategories. The "Cloud Credentials" menu option is a subcategory of "System" and matches the way other subcategory options in the new UI are displayed.

##### #4 - 01/26/2018 06:41 AM - Dru Lavigne

- Target version set to N/A
