<b>Description</b> <a href="https://doc.freenas.org/11/services.html#dynamic-dns">https://doc.freenas.org/11/services.html#dynamic-dns</a>  The picture for Dynamic DNS shows fields that are not included in the table for Dynamic DNS fields. For example, field "Forced Update Period" and "Auxiliary Parameters" are in the picture, but not in the table. Either the table needs to be updated to show these fields, or the picture needs to be updated to match the current GUI.
