

FreeNAS - Bug #29477

Dashboard looks weird when you have more than one pool

03/09/2018 04:04 PM - Anonymous

Status: Done	
Priority: No priority	
Assignee: Damian Szidiropulosz	
Category: GUI (new)	
Target version: Master - FreeNAS Nightlies	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity:	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: Yes	ChangeLog Required: No
Needs Doc: Yes	
Description	
The layout of the dashboard widgets gets out of wack if you have multiple pools, see attached screenshots

#2 - 03/28/2018 03:02 PM - Damian Szidiropulosz

- Status changed from In Progress to Done

PR 548 fixes this. widgetpool component was being loaded via widgetstoragecollection widget in order to abstract away data fetching. This caused a problem with flex layout and the most convenient fix is to let dashboard component manage the data and create widgetpool instances directly.

#3 - 03/28/2018 03:10 PM - Dru Lavigne

- Target version changed from 11.2-BETA1 to Master - FreeNAS Nightlies

- Needs Merging changed from Yes to No
