Description I'm testing the New UI with my system updated to the latest FreeNAS-11-Nightly version. I navigated Account --> Groups and clicked the "More Options (vertical dots)" then "Members" buttons. In the Members list, there are two blue buttons in the lower-right area of the screen labelled "C" and "S". These appear to function as "Cancel" and "Save" options and should be adjusted to reflect the standard rectangular format for those buttons seen elsewhere in the UI.
