Category: GUI (new)	
Target version: Master - FreeNAS Nightlies	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity:	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: Yes	ChangeLog Required: No
Needs Doc: Yes	
Description	
I'm testing the new UI with a FreeNAS system updated to the latest FreeNAS-11-Nightly version.	
I opened the configuration options for the UPS service and compared the forms between new and old UI. The "No Communication Warning Time" field appears to be missing in the new UI.	

Associated revisions

Revision 32d6f3e9 - 04/18/2018 01:47 PM - Erin Clark

Add missing options to UPS service (still needs an api for getting ports)

Ticket: #32208
