Category:	GUI (new)	
Target version:	Master - FreeNAS Nightlies	
Seen in:	Master - FreeNAS Nightlies	Needs Merging: No
Severity:	Medium	Needs Automation: No
Reason for Closing:		Support Suite Ticket: n/a
Reason for Blocked:		Hardware Configuration:
Needs QA:	Yes	ChangeLog Required: No
Needs Doc:	Yes	

Description

I'm testing the new UI with a FreeNAS system updated to the latest FreeNAS-11-Nightly version.

I navigated to the VMs page and switched the view over to "table". I opened the "More Options" (vert. dots) menu for my existing VM and noticed there is no button or option to add/edit "Devices" for an existing VM
