

FreeNAS - Bug #33015

System/Support screen is garbled after Storage/Pools has been accessed

05/03/2018 09:08 AM - Warren Block

Status: Done	
Priority: No priority	
Assignee: Vaibhav Chauhan	
Category: GUI (new)	
Target version: Master - FreeNAS Nightlies	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity: High	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: Yes	ChangeLog Required: No
Needs Doc: Yes	
Description	
Steps to repeat:	
1. Log in to FreeNAS system.	
2. Click on System and Support on left. Note normal appearance of screen.	
3. Click on Storage and Pools on left. I have only tested this with a pool present, replicating the bug might require at least one pool.	
4. Click on System and Support on left again. Note garbled appearance of Support screen. Screenshot attached as example.
