

FreeNAS - Feature #34107

Umbrella # 33810 (Done): Remove "fab" icons from UI

Combine vm + vm wizard under one fab button

05/25/2018 11:19 AM - Erin Clark

Status: Done	Estimated time: 0.00 hour
Priority: No priority

Category: GUI (new)	
Target version: Master - FreeNAS Nightlies	
Severity: Low Medium	Needs Merging: No
Reason for Closing:	Needs Automation: No
Reason for Blocked:	Support Suite Ticket: n/a
Needs QA: Yes	Hardware Configuration:
Needs Doc: Yes	
Description In order to make the UI more user friendly we should continue combining fab buttons into a single fab button, for vms this can be done by adding a screen at the beginning of the wizard that lets the user choose whether or not they want to continue with the wizard or if they want to go to the docker creation screen (wizard should be default). Do this similarly to how the volume wizard handles create/import.
