Description

Open a section with sub sections such as Account -> Users. There is the breadcrumb at the top showing Account / Users. Click on the Account link.

A blank page now opens.

This happens for all of the sections after clicking on the first breadcrumb.

Clicking the first breadcrumb should open an overview page for that section.

Go to 23 seconds in on the attached video.

- Target version changed from Backlog to 11.2-RC2

- Severity changed from New to Medium

Erin: I targetted this one for 11.2 as that behavior is quite unexpected.
