

FreeNAS - Bug #35323

Fix detach pool dialog remaining open after pool is detached in new UI

06/19/2018 02:16 PM - Warren Block

Status: Done	
Priority: No priority	
Assignee:	
Category: GUI (new)	
Target version: 11.2-BETA2	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity: Med High	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description Create a pool. Select Detach from the options menu (three vertical dots). Check both "Destroy data on this pool?" and Confirm detach. Click the Detach button. A spinner appears during the detach, then it says "Successfully detached pool" in a new dialog. Click Close on the "successfully detached" dialog. The original Detach pool dialog is still on the screen. Oh, and "Detach" is misspelled as "Detatch" on that dialog.
