

FreeNAS - Bug #35638

Show plugin installation progress in new UI

06/22/2018 01:27 PM - Warren Block

Status: Done	
Priority: No priority	
Assignee: Lola Yang	
Category: GUI (new)	
Target version: 11.2-BETA3	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity: New	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description	
<p>While a plugin is being installed, only a spinner is shown. There is no way for the user to tell how long it will take or if the system is actually doing anything.</p> <p>This should be a status display for the download and install of the plugin jail. If we already have that for jails, the code can be reused.</p> <p>The attached screenshot was taken after about two minutes in the plugin install. It finally finished installing after about 4.5 minutes.</p>
