Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description Every time we do an npm install we are greeted with several security warnings including 2 severe ones. This ticket is to track the fix to this problem.	

Associated revisions

Revision de362862 - 06/28/2018 12:43 PM - Erin Clark

Minor updates to a few packages and remove unused angular-ide to mitigate security warnings.

Ticket: #36218

Tested on my local system (TrueOS, npm 5.6.0_2 installed):

Local system/CLI:

Went to local copy of the webui repository. Switched to master branch and ran `git pull` to update the branch. Ran `npm install`. Several `npm WARN` messages do appear, but none state they are security related or are "severe".

#7 - 07/11/2018 10:19 PM - Dru Lavigne

- Status changed from *Passed Testing* to *Done*
