

FreeNAS - Bug #39857

Add spinner when group membership is slow to load in new UI

07/27/2018 07:00 AM - Warren Block

Status: Done	
Priority: No priority	
Assignee: Dennis Mullen	
Category: GUI (new)	
Target version: 11.2-BETA3	
Seen in: 11.2-BETA2	Needs Merging: No
Severity: Medium	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description It takes longer than seven seconds on a FreeNAS Mini for the group membership to show any data. This probably indicates a problem, but any function that can take this long should show either a spinner or a progress bar to give the user feedback that something is actually happening. To recreate: click Account/Groups. Click the three-dots options icon for any group and select Members. Wait for data to appear.
