

FreeNAS - Bug #40126

Improve warning in new UI when user selects another interface for configuration

07/30/2018 01:34 PM - Erin Clark

Status: Done	
Priority: No priority	
Assignee: Erin Clark	
Category: GUI (new)	
Target version: 11.2-BETA3	
Seen in: 11.2-BETA1	Needs Merging: No
Severity: Med High	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description Now that ticket 37168 is finished, we can get from the middleware the info on the interface which should be configured first upon initial configuration rather than scare the user about configuring any interface. This ticket is to track this fix.	

Associated revisions

Revision 0e711ade - 08/03/2018 04:44 PM - Erin Clark

Add warnings field to form-select

Ticket: #40126

Revision 4c63fb0b - 08/03/2018 04:44 PM - Erin Clark

Move interface warning to interface field and pre-populate interface with the "default" one.

Add error handling to network interface websocket call

Ticket: #40126

Revision f05982ec - 08/07/2018 04:52 PM - Erin Clark

Only show warning when an interface that is not the first is selected

Ticket: #40126

History

#1 - 07/30/2018 01:35 PM - Erin Clark

- Status changed from Unscreened to Screened

#2 - 07/30/2018 01:38 PM - Michael Reynolds

- File NetworkInterfacesWarning-2018-07-30.png added

Here is the current Warning dialog

#3 - 08/03/2018 04:48 PM - Erin Clark

I have a proposed fix for this in this PR <https://github.com/freenas/webui/pull/1090>

#4 - 08/03/2018 04:48 PM - Erin Clark

- Status changed from Screened to In Progress

#5 - 08/07/2018 06:29 PM - Erin Clark

- Status changed from In Progress to Ready for Testing

#6 - 08/08/2018 06:23 AM - Dru Lavigne

- Subject changed from Network interface warning should tell the user which interface to configure to Improve warning in new UI when user selects another interface for configuration

- Needs Merging changed from Yes to No

#7 - 08/15/2018 11:45 AM - Timothy Moore II

- Status changed from Ready for Testing to Passed Testing

- Needs QA changed from Yes to No

Testing with FreeNAS Mini updated to FreeNAS-11.2-MASTER-201808151301:

Go to Network/Interfaces and click "Add". "NIC" and "Interface Name" are already populated. Changing "NIC" to another value displays this warning: "Please configure the Web UI interface (igb1) before configuring other interfaces to avoid losing connection to the user interface."

#8 - 08/16/2018 06:58 AM - Timothy Moore II

- Needs Doc changed from Yes to No

Docs commit: [angulargui] <https://github.com/freenas/freenas-docs/pull/298>. This change is not reflected in the master branch.

#9 - 08/20/2018 01:32 PM - Dru Lavigne

- Status changed from Passed Testing to Done
