History

#1 - 10/18/2018 09:55 AM - William Grzybowski

- Category set to Middleware
- Status changed from Unscreened to Screened

#2 - 10/24/2018 09:22 AM - Dru Lavigne

- Related to Feature #52517: Implement network rewrite in new UI added

#3 - 10/24/2018 09:24 AM - Dru Lavigne

- Related to Feature #29094: Add field for MTU config on network interfaces to legacy UI added

#4 - 10/24/2018 09:26 AM - Dru Lavigne

- Related to Feature #22857: Allow changing MTU when interface has vlans added

#5 - 10/24/2018 09:27 AM - Dru Lavigne

- Related to Feature #24347: Add bridge support added

#6 - 10/24/2018 11:24 AM - Dru Lavigne

- Related to deleted (Feature #24347: Add bridge support)

#7 - 10/24/2018 11:25 AM - Dru Lavigne

- Related to Bug #27122: Add overhauled bridge support to API added

#8 - 10/24/2018 11:32 AM - Dru Lavigne

- Related to Feature #23686: Get FreeNAS a sophisticated network GUI that does justice for VM management added

#9 - 03/13/2019 12:34 PM - William Grzybowski

- Related to Feature #72809: Display configured TrueNAS HA internal interfaces in new UI added

#10 - 03/13/2019 12:34 PM - William Grzybowski

- Related to Feature #74902: Update network interface screens with latest capabilities in new UI added

#11 - 03/13/2019 12:35 PM - William Grzybowski

- Status changed from Screened to Done

- Target version changed from 11.3 to 11.3-BETA1

#13 - 03/27/2019 08:48 AM - Dru Lavigne

- Description updated

#15 - 04/02/2019 08:21 AM - Dru Lavigne

- Target version changed from 11.3-BETA1 to 11.3-ALPHA1
