Ok I see whats going on, the api.freenas.org docs is for the master branch, and you're running 9.2.1.X

##### #3 - 06/24/2014 03:24 PM - Anonymous

I will build a new system and retest it.

Pretty sure the error is not the same, its not possible, the fields does not exist anymore, check again with a CURRENT version.

Thank you
