

FreeNAS - Bug #60408

Remove cachetool.py from freenas-debug

11/28/2018 09:00 AM - Dru Lavigne

Status: Done	
Priority: No priority	
Assignee: Caleb St. John	
Category: Middleware	
Target version: TrueNAS 11.1-U6.2	
Seen in: TrueNAS-11.1-U6.1	Needs Merging: No
Severity: Low	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description	
After conversation with Andrew, there is no real good reason to run cachetool.py dump when capturing a freenas-debug.	
This specific script can take 10's of minutes or longer to produce output depending on the size of the AD/LDAP environment.	
The output we gather in the other sections provide more than enough data.
