

FreeNAS - Bug #82859

Allow bridge, lagg, and vlan attributes to be updated

03/19/2019 06:09 PM - Erin Clark

Status: Done	
Priority: No priority	
Assignee: William Grzybowski	
Category: Middleware	
Target version: 11.3-ALPHA1	
Seen in: Master - FreeNAS Nightlies	Needs Merging: No
Severity: Med High	Needs Automation: No
Reason for Closing:	Support Suite Ticket: n/a
Reason for Blocked:	Hardware Configuration:
Needs QA: No	ChangeLog Required: No
Needs Doc: No	
Description If I create a lagg with members em2 and em3 using interface.create and then try to update it with interface.update, say I remove em3 and try to save with only em2, I notice that interface.query still tells me that the members are em2 and em3 if I try to edit the lagg again.
